Thanking all those who participate in this initiative are Cottolengo Brothers, who take care of the our “grandpas” with love.

**FOR DONATIONS KINDLY INDICATE
THE CODE OR THE TITLE OF THE PROJECT.**

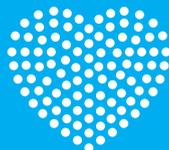

In Tachina, in Ecuador, there is for over ten years a care centre for the elderly people, where Cottolengo Brothers welcome poor and sick elderly people with no one to take care of them. These people often live of the roads of Esmeraldas and are not self-sufficient economically or in personal care. Most of them, especially those who come from the nearby Colombia do not have documents.

From 2014 we thought of launching the campaign “Adopt a grandpa”.

By donating a small amount you will help the Cottolengo religious and volunteers that work at Tachina to render the last days of these grandpas more serene and “livable”: by guaranteeing medicine that they need, a good nourishment, enough physiotherapy and some recreational/ occupational activities. Almost all these elderly people are illiterate and have no means to thank all donors by word.

OF SOLITARY AND ABANDONED
ELDERLY PEOPLE.**
