Cottolengo Missions
Projects

“Cottolengo Tuuru Mission” is a Centre for health, rehabilitation, educational, social and welfare services aimed at the poor population of the whole district of Meru, in the North - East of Kenya. The objective of the Centre which is “Work of the Gospel”, is to take care of all the poor and abandoned people, especially children with disabilities and women, so that, making an experience of love and attention, everyone feels themselves beloved children of God, participants of His family and of the whole human family.

Currently the Centre hosts a hundred children with physical and mental disabilities and a small group of malnourished children. They are divided into three family groups (Holy Angels, St. Joseph and St. Rita) with a sister as a responsible person assisted by lay personnel.

The laundry of the Centre is currently equipped with three washing machines, but two of them are almost out of use and impossible to repair. To ensure adequate hygiene for children, it is necessary to purchase 2 large washing machines capable of holding at least 24/25 kg of linen. This would facilitate the work of the staff working at the Centre and ensure a more suitable and comfortable service for the children.

TO PURCHASE TWO LAUNDRY MACHINES FOR THE CENTRE OF TUURU.

FOR DONATIONS KINDLY INDICATE THE CODE OR THE TITLE OF THE PROJECT.
